**APPLICATION FORMS** 101
Dear Athletes,

On behalf of the World Police and Fire Games Federation Board of Directors, it is my great honor to welcome you to the 2022 Rotterdam World Police and Fire Games.

Since the beginning of the Games in 1985, the Games have worked to promote physical and mental well-being of professionals in Police and Fire Services around the World. The WPFG provides a competitive and social environment to encourage and pay homage to the camaraderie among these men and women, through sports. Friendships made at the Games have lasted a lifetime for many of our participants.

As we move towards a post-pandemic future, the importance of maintaining our physical and psychological health is at its highest. As you plan your trip to Rotterdam, know that the Rotterdam Host Committee is doing all they can to keep you safe and healthy through their valiant dedication to these Games.

Good luck and see you in Rotterdam!

Larry “LC” Collins
President World Police and Fire Games Federation
Dear participants,

Welcome to the city of Rotterdam! You are here to participate in the World Police and Fire Games 2022, taking place in the Netherlands for the first time. Rotterdam is proud to be the organizing host of this large international mixed-sport event.

The WPFG contributes to motivation, pride and respect for all participating services. But it also creates a greater understanding among the public for your significant work. A greater recognition, gratitude and appreciation for the guardians of public order and safety, men and women who often have to take action in difficult conditions.

Emergency responders like you stand side by side and work together, often without getting to know each other. That’s what makes it so important for police and firefighters, customs and corrections personnel to meet each other in a sports-related and social setting. Besides, the WPFG is also a strong motivation to get out there and do sports. For your job, physical fitness is essential.

I wish you every success during the Games, but above all: have fun and enjoy Rotterdam!

Ahmed Aboutaleb
Mayor of Rotterdam
Dear competitors,

In a few months’ time, it will finally happen and a dream will become reality. It’s a dream that the World Police & Fire Games are being held in Rotterdam, and that so many competitors and their friends & family from all over the world will take part in this wonderful event and experience the hospitality of our city.

The preparations started 10 years ago, and the organization is still largely the same, at executive, management, and operational levels. That really says something. Everyone in our organization is proud to have the chance to work on the World Police & Fire Games. And we all have the same goal: to make it a wonderful event and ensure that the competitors and their friends & family thoroughly enjoy themselves.

In July 2022, registration and accreditation will open in Rotterdam Ahoy a few days before the opening ceremony. This will be your first experience with our organization. Knowing the team that is working on it, you will immediately feel welcome and your questions will be answered as fully as possible. Afterwards, you can prepare for the opening ceremony and your own sport. We will ensure that all the right conditions are in place. Looking forward to seeing you at Rotterdam 2022!

Wim de Rooij
CEO World Police & Fire Games 2022
IN SPORT WE UNITE

Dear competitors,

I am looking forward with great enthusiasm to welcoming you and your family to the 19th edition of the World Police & Fire Games in the summer of 2022.

No fewer than 10,000 competitors from 70 countries are taking part in 63 sports at the international Games for Police, Fire, Customs and Corrections Services personnel.

Rotterdam, the beating heart of WPFG2022
The games are coming to the Netherlands for the first time in history. During the World Police & Fire Games, there will be no fewer than 30 locations – spread throughout the Netherlands – where activities are being organized. Rotterdam is the beating heart of this unique event.

Besides the many sporting components and side events in Rotterdam, an Athletes Village will be created on Willemsplein. It will be a vibrant meeting place for everyone involved in the Games. In addition to valuable encounters, a cultural program and sports demonstrations can be enjoyed here.

Encounters, sportsmanship & respect
I am proud that we can give you – public safety workers from all over the world – the unique opportunity to meet each other in a sporting environment, share experiences and make contacts.

In addition, we want to stimulate sportsmanship and generate respect for all you public safety workers who are there for us day and night.

That is why the motto of this edition is: In Sport We Unite

Together with the team, we are doing everything we can to make it an unforgettable and valuable edition.

READING GUIDE
This Entry Book has been prepared as a digital version. If you are reading this Entry Book in printed form, some sections may therefore be unclear. All information is also available on the website www.wpfgrotterdam2022.com
ACTIONS. NOT WORDS. MAKE IT HAPPEN.
PROCEDURES FOR COMPETITOR ENTRY

Please note: early entry is highly recommended

Entries are accepted on a “first come, first served” basis.

SPORTS ENTRY FORM

Each individual or team member must submit an online Sports Entry Form, a signed Release of Liability and Acknowledgement of Rules & Regulations Form, and pay Sport Entry Fees. One Sports Entry Form will NOT cover more than one person.

ENTRY FEES (REGISTRATION FEE & SPORTS FEES)

All Sport Entry Fees are payable to the World Police & Fire Games in U.S. Funds. All checks, bank drafts and money orders shall be drawn on a U.S. bank only. EXCEPTION: Canadian checks indicating U.S. funds need not be drawn on a U.S. bank but must indicate U.S. funds on the check. Competitors may use Visa or MasterCard to pay the Sport Entry Fees. No other form of payment can be accepted (no “moneygrams” or similar).

There is a Registration Fee (outlined below) which all competitors shall pay once, no matter how many events are entered:

February 1, 2022 – April 30, 2022 $135 USD
May 1, 2022 – July 17, 2022 $160 USD
July 18, 2022 – End of Games $175 USD

Each event also has an associated cost, the Sports Fees. Most events are $30 USD, but some are more because they cover such things as the green fees in Golf, or the official’s expenses in the lifting competitions. Add the Sport Fees and Registration Fee to determine the total Entry Fees to be paid.

BANK/WIRE TRANSFERS

Due to high bank charges, which are the responsibility of the competitor, sending Sports Entry Fees by wire transfer for groups of LESS THAN 10 PERSONS is discouraged. You may request the necessary banking information for a wire transfer by contacting the WPFG Federation in San Diego. Make sure to clearly identify for whom the fees are intended. The name and contact information of at least one competitor MUST accompany the transfer notice.

CONFIRMATION OF RECEIPT

Your canceled check, or the appearance of a debit on your credit card statement, is considered to be your confirmation of receipt of your Sports Entry. This confirmation relates only to the receipt of your entry.

ENTERING THE GAMES ONLINE

Eligible applicants, using a Visa, MasterCard or American Express credit card, are encouraged to use the WPFG Federation’s Online Entry system (OLE), rather than complete a paper Sports Entry Form as detailed above. Access to Online Entry is available through the WPFG website at www.cpaf.org or the Host website at www.wpfgrotterdam.com. Participants entering online will receive an automatic confirmation of receipt of entry via e-mail. This electronic confirmation relates ONLY to the receipt of your entry.

CHANGES AND REFUND POLICY CHANGES

Before May 8th, any competitor who has submitted an entry is entitled to make additions or changes without penalty. From May 8th, competitor-requested additions or changes may be made if they do not affect other competitors adversely. Please note that any such changes are subject to a service fee of $20 USD.

REFUNDS

The following Refund Policy is designed to be fair and equitable for both the World Police & Fire Games Rotterdam 2022 and the participants. The World Police & Fire Games Rotterdam 2022 incurs expenses which cannot be recovered or returned, such as awards, advertising and other miscellaneous expenses.

- All requests for refunds must be submitted by the individual in writing to the Rotterdam 2022 World Police & Fire Games. (Either by USPS mail or by email).
- All refunds are subject to a $20.00 service fee. All requests for refunds must be submitted on or before 5:00 PM (EST) August 31, 2022 to be considered.
- Before July 1, 2022, any competitor who has submitted an entry is entitled to withdraw without penalty and will receive the appropriate refund, less the service fee.
- After July 1, 2022, approval of a request for refund for withdrawal is at the discretion of the Rotterdam 2022 World Police & Fire Games.

In the event of inclement weather, disaster or any other uncontrollable factors that result in the cancellation of individual sports’ competitions or the Rotterdam 2022 World Police & Fire Games as a whole, refunds may be determined on the number of Games played.

As a general guideline the following criteria will be followed:
- Event canceled due to lack of entries: 100% refund
- Cancellation due to weather or Force majeure: 80% refund
- Team/Individual plays less than a full game/match 75% refund
- Team/Individual plays only 1 complete game: 50% refund [unless single elimination]
- Otherwise NO REFUNDS
Please Note: If event is single elimination/competition there will be no refund. And no refunds will be given to any participant who is suspended or expelled from competition.

Please submit all requests for refunds either by e-mail to: 4info@cpaf.org and type “refund” in the subject line.

Or by USPS mail to:
WORLD POLICE & FIRE GAMES ATTN: REFUND
8304 Clairemont Mesa Blvd., Suite 107
San Diego, CA 92111 USA

REFUND OF SPORT FEES POLICY
Requests for refunds of Sport Entry fees will only be honored until August 31, 2022 at the latest.

Faxing entries or submitting in an electronic format is not recommended! Please do NOT fax your entry; or send by electronic format, such as a “pdf” file. The processing center is not equipped to efficiently handle this type of transmittal. If at all possible, put your entry in the mail in a timely fashion, or enter via the On-Line Entry system. “Duplicate Charges” on credit cards can result from multiple duplicate faxed transmissions.

SPORT ENTRY FORM PROCESSING

INELIGIBLE ENTRY
For Unqualified Persons: If a person knowingly attempts to enter or enters the Games when they do not qualify for entry, that person shall be disqualified from the Games for life. If another competitor, team member or team captain/coach enters a person whom they know does not qualify for entry, the other player or coach that submitted the entry shall be disqualified from the Games for life.

For Qualified Persons: If a person otherwise qualified to enter the Games knowingly joins a team [including Doubles team(s)] for which he/she is ineligible, that person shall be subject to appropriate disciplinary action. Deferred Retirement: The person resigns from his/her service following the completion of the number of years of good conduct service required to qualify the person for a retirement income upon arrival at a specific age. [NOTE: A termination without benefit of future recognition as a retired person does not qualify under this section.

Other criteria may apply, including “Deferred Retirement”, “Lump Sum Retirement”, “Contract Retirement” and “Disability Retirement”. AGE RULES
Age is determined as of the first day of the Games (July 22, 2022).
A competitor in the 30+, 40+, or 50+ division may elect to compete in a younger division as long as this is indicated on the original Sports Entry Form or indicated during online entry. This alternative is not available to late entries. In all Individual events in Track & Field (including Decathlon), Swimming and Singles Golf, competitors will compete only in the age division of their actual age. Other sports such as weight sports have restrictions on how many age divisions a competitor may drop; review individual sport rules.
In Team events (including Doubles), eligibility to compete in any age division is determined by the age of the youngest team member. (Exception: In Team Golf, participants will compete only in the age category of the youngest team member.)
When adding an acceptable event at any time after Bracketing is complete, you must compete only in the age category of your actual age.

DUPLICATE EVENT ENTRIES
A competitor may enter only one age, skill or weight division in any one event.
A competitor may enter only one Doubles event with only one partner in any sport. EXCEPTION: One same–gender Doubles and one mixed Doubles event may be entered.
A competitor may be on only 1 team in any sport. Some exceptions apply; see sports synopsis under each sport.
TEAM EVENTS
Definitions
Any event in which 3 or more persons compete against a mutual opponent is considered a Team event. A “Unisex” team may consist of all men, all women or any combination thereof. A “Mixed” or “Co-Ed” team has one or more members of both genders. See the Sports’ Information section for specific details for each Team event.

Team members
Each player on the team shall complete a Sport Entry Form and indicate the full FIRST & LAST NAME of the TEAM CAPTAIN in the appropriate space on the form. If entering online, select the team captain’s name from the dropdown list of captains.

Team captains
Each Team event requires a named competitor as Team Captain. A preliminary team roster must be submitted with the sports entry form of the team captain. Changes to team make-up are allowed until the Team Captain’s Meeting or competition begins in that particular sport. A Final Team Roster shall be presented prior to the beginning of competition. This usually occurs at the Team Captain/Coaches Meeting.

Among the Team Captains other duties
1. Attend the Captains/Coaches meeting prior to competition and distribute pertinent information to the team;
2. Assume responsibility for determining the team’s schedule and for the team’s punctual attendance at designated times and venues of competition;
3. Be available to Sports Coordinators and officials before, during and after play to make decisions on behalf of the team and to receive information and officials’ rulings that affect play or the team’s progress throughout the tournament;
4. Be responsible for recording and filing written protests within 8 hours of the perceived violation;
5. Be available to represent the team in case of appeals, protests or other inquiry by the Host or WPFGF.

NON-PLAYING COACHES
The WPFGF recognizes two categories of Non–Playing Coaches, Sworn and Non-Sworn. A Non–Playing Coach may be either gender regardless of the makeup of the team. Both categories of Coaches must submit a Sports Entry Form and sign a Waiver. Both categories of Coaches may accompany their teams to all venues available to the teams. Both categories of coaches must pay the Registration Fee in effect at the time they enter the Games.

Sworn Coaches have the option of paying the Sport Fee and will be eligible to receive a medal should the team medal. Non–Sworn Coaches will NOT receive a medal should team win a medal. Non–sworn coaches may NOT act as the Team Captain. Non–Sworn Coaches MAY NOT march in the Parade of Athletes at the Opening Ceremony.

All Coaches’, Managers’ or Seconds’ actions on behalf of a competitor or team will have a binding effect on that competitor or team and may affect that competitor’s or team’s play, status or eligibility in the WPFG.

OTHER TECHNICAL SUPPORT PERSONNEL
Additional personnel, such as equipment managers, team doctors, seconds in Boxing, or other non–competitors must sign a Release of Liability form prior to being allowed into the “area of competition” to assist a team or individual. Persons in this category of participation should enter as a Technical Support Person (TSP) on line, pay the fees and submit to the Host for review. Submission of an application does NOT guarantee accreditation. The Host may charge a $75.00 USD fee to process and accredit acceptable Technical Support Personnel. The fee will be refunded if accreditation is refused.

EXTRA ENTRANTS
In all Team events (i.e. Track & Field relays or Soccer), more entrants than the maximum allowed may submit Sports Entry Forms and fees. At the Captain/Coaches’ meeting, or prior to the first competition, the Roster shall be reduced to no more than the maximum number allowed, and shall be submitted to the Sport Coordinator. Under these circumstances, NO requests for refunds of sports fees will be honored to those who entered, but do not appear on the final Team Roster.

Mandatory Meetings and Orientation
In many Team events, a mandatory meeting is held for Team Captain/Coaches prior to competition. Some sports will hold an orientation meeting to advise competitors about rules, guidelines and any changes. Some orientation meetings are mandatory. Sports with mandatory meetings are noted in this book under the sports’ section. Competitors will be advised in their Confirmation Letter of the nature of the orientation meeting for their events.

SPORT VENUE CHECK-IN
Every competitor must check-in at the sport venue before competing each time he/she returns to the facility for a new competition. During check-in, the competitor will show his/her Host-issue Athlete Accreditation. Failure to provide these credentials will prohibit participation until this requirement is satisfied. Competition will not be rescheduled or delayed if the competitor does not have their Athlete Accreditation.

In all team sports that allow a Non–Playing Coach, a Credentials Official will be present at each venue and is responsible for verifying that players are properly identified and accredited. At check-in or before each game, it is the responsibility of each team’s coach/captain to ensure that the Credentials Official is
presented with the credentials of all team members on the roster that are present and playing in that game. The credentials will be returned immediately after each game unless there is cause to investigate the participation of an ineligible player. Any team not fully complying will be considered to be playing with an ineligible player and therefore forfeits the game.

CHANGES AND ADDITIONS BY COMPETITORS
Added events and valid substitutions may be subject to an additional $10.00 USD Service Fee. On-site entries (at sport venues) are prohibited. Proper entry procedures must be followed in all cases. Competitors that have not properly registered may NOT form teams at the sport venue.

COMPETITORS’ REQUEST FOR CHANGES
Competitors shall NOT add or change event classes or age divisions which were not offered. Once competition in an event begins, no substitutions, changes or additions can be made. In Push–Pull Lifting and Bench Press, once the Games begin, no age category changes will be allowed.

ADDING LATE TEAM MEMBERS
Generally, teams may add late entry team members to their Roster, to the maximum specified, until the Captain/Coaches’ meeting for their sport. If needed, Team Captains will submit a Revised Team Roster at that meeting, noting any changes/additions.

No Entry or Changes Once Competition Begins: In all sports/events, once competition begins, the Host shall NOT accept a new entry, substitution, or event addition/change in that event. A person may NOT enter after competition begins merely because he/she is listed on a Team Roster. In Team events, a person who is duly entered in that event (submitted entry & fees) and is listed on the Team Roster, but is not able to actually register and become accredited until after the competition begins in that event, will be allowed to play on that team.

HOST CHANGES OR CANCELLATION OF EVENTS
Changes consistent with World Police & Fire Games Federation rules such as times, dates and locations may be necessary in conducting various events. The 2022 World Police & Fire Games Host and WPFG Federation reserve the right to make such changes. Any sport or event may be canceled by mutual agreement between the Host and WPFGF. The Host shall initiate steps to notify all entrants and return appropriate fees. If an event is canceled by the Host, and an alternative event is not available, entrants will be notified at least two weeks prior to any competition and the Entry Fees refunded. (Refer to the Refund Policy).

REGISTRATION

SUBSTITUTIONS
Requests for substitutions in Team and Individual events are honored when made in a timely fashion by the person or entity who paid the original entrant’s Sports Entry Fees. In Team sports, the Team Captain may request a substitution. For Individual sports, the overall coordinator for the substituted person's agency may also request a substitution. [NOTE: This rule does not apply to events which have established a “Waiting List”; see “Participant Limits”]

A completed Sports Entry Form and signed Release of Liability for the substitute and any required additional fees must be submitted. The substitute shall meet the same requirements as the original entrant. All substitutions must be completed prior to the start of any competition in that event. The Team Captain shall submit a Revised Team Roster, noting all changes to team make-up, at the Captains/Coaches meeting for that sport. It is the responsibility of the substitute and/or Team Captain to request the substitution far enough in advance of the actual competition to allow the Host time to meet its responsibilities.

SPORT DIVISIONS
WPFG uses two basic systems to divide the larger Team events into divisions.

A and B (and C) Divisions
These categories are normally formed during preliminary competition in that event and are based strictly on the individual’s or team’s performance. (Note: There are a few sports where “A”, “B”, etc. have different criteria, such as Bowling. See sport rules.)

Joint participation (combined agency doubles or team play)
Competitors from police and fire agencies may combine to form Doubles and/or Teams, regardless of agency size or service WITHIN A COUNTRY.

Retired competitors may combine to form Doubles or Teams in any manner they wish with other eligible competitors whether Police or Fire. This includes across country lines or whether any other member of the Doubles or Team is actively employed or retired.

Pooling (draw for partner or team)
The following team sports are specifically EXCLUDED from Pooling:

• Basketball [5 x 5]
• Ice Hockey
• Rugby
• Soccer
• Softball [except Women’s Open]
• Volleyball – Indoor (6 Person Team)
A competitor who has entered a sport in the Singles/Individual competition, but who does not have a partner/team for the Doubles or Team event, may request to be placed in a competitors’ “pool” for draw of a partner/team. To do so, enter the event, pay the event fees and check the column on the Sports Entry Form or the check box if entering online, which indicates that you wish to be pooled. The WPFG Federation will make every effort to satisfy a “pool” request, however, it cannot be guaranteed. Therefore, anyone entering into a pooled event must be entered into another non-pooled sport/event in the Games.

In Cross Country (Team), Dragon Boats, Karate (Team), Half Marathon/Road Race (Team), Triathlon and T.C.A. competitors may enter the pool for a partner or team as long as they are entered in another (individual) sport in the Games.

A request for a specific partner in the pool will not be honored. Pooling is conducted by the WPFG Federation only. Once formed by pooling, Doubles and Teams will not be allowed to alter their makeup to exclude a pooled member. If a late entry enters a Doubles or Team event which has already been completed by a “Pool” entry, that late entry shall not take the place of the “Pool” entry. The late entry may enter into the “Pool” and be assigned to a Doubles Team/Team, if possible.

After the Bracketing Committee has approved the sports’ brackets, no further pooling requests will be accepted. Competitors who have entered a pool, but were not teamed during bracketing, may be substituted on a previously entered, eligible team, which has lost a member for legitimate reasons before competition begins. If the previously entered team elects to accept a substitute from the pooled entrants available, selection shall be made by “random” drawing.

**Bracketing/Scheduling**

If only one person/team enters any event, that person/team will be combined in the next most reasonable category of the sport.

**Exceptions**

1. Competitor Option in Changing Divisions: Entrants have the option NOT to be combined as stated above. To exercise this option, the entrant must indicate this in the appropriate area on the Sports Entry Form or tick box if entering online.
2. Single Entrant: In Individual events where an opponent is not needed for actual competition, if only one person enters and cannot be combined or that person elects not to be combined, the event will be scheduled. In all events requiring weigh-ins, where only one person enters, the event will be scheduled. Push-Pull Lifting and Bench Press classes require only one entrant to hold the event. Top scoring events in shooting sports, which cannot be combined, may be conducted even though only one competitor is entered.

Any events scheduled by the Bracketing Committee will be held and medals awarded regardless of the number of competitors that actually show. If only one competitor actually shows for an event, he/she may participate in that event for a guaranteed First Place medal or the competitor may elect to give up the guaranteed medal and move to a younger age (or heavier weight) division to compete.

**Team and Doubles Events**

In sports which allow “Pooling”, if at the time of the Bracketing meeting the minimum number of players to field a team have not submitted Sports Entry Forms and paid the fees, the Bracketing Committee may complete the team by assigning “pool” players. Potential team members who attempt to enter after the Entry Deadline may be unable to join the team.

Please note: there is no guarantee that a team will be scheduled to compete if the minimum number of competitors have not entered the Games by the online entry system or via submitting a Sports Entry Form and paying the Sport Entry Fees by the entry deadline or prior to the time the sport reaches capacity.

**Individual Men’s, Women’s & Unisex Events**

Men and women shall compete against each other except in sports where separate Men’s and Women’s events are offered. Exception: women and men may NOT compete against each other in contact sports.

During the Bracketing Meeting, if an age division cannot be combined within the same sex to create a competition, that division may be combined with the same or younger division of the opposite sex which has, or makes, two or more entrants.

**Seeding**

In events where teams are seeded, the criteria for seeding a team is that 50% or more of the players on the team must be returning players from the team that played in the last WPFG.

**Bracketing Weight Sports**

In all weight class sports, competitors will weigh-in before the event. Entrants must enter their estimated weight class and attempt to make weight, however competitors will be bracketed according to their actual weight at weigh-in. (Bracketing/Scheduling “Exceptions” apply; see above.)

**Bracketing Deadlines**

May 10, 2022 Deadline for team creation.
May 17, 2022 Roster MUST have minimum number of players to
start play or team may not be included in bracketing. [See specific sports for minimums]

Any uniform or other attire worn or displayed by any participant must be in good taste and in keeping with the good name of the WPFG, the Host and Law Enforcement and Firefighting services. Violations may result in expulsion from the WPFG venues and/or disciplinary action.

Contact the Federation Headquarters in San Diego if you are unsure about the type of advertising allowed.

MEDALS
Medals will be awarded for 1st through 3rd place in all events, and shall be presented as soon as possible after the conclusion of each event.

FIREARM REQUIREMENTS, TRANSPORTATION & IMPORTATION
The possession of firearms and ammunition is strictly regulated in the Netherlands and subject to a system of licensing.

Amongst other things, customs in the Netherlands checks the import and export of goods, including firearms. As requested by the bid committee, customs looked into the import of firearms and related equipment in relation to the World Police & Fire Games. The bid committee was informed by letter that importing arms and ammo is allowed in relation to the WPFG in Rotterdam in 2022.

License applications for the transfer or export of firearms for the purpose of personal use by the competitors should meet the following conditions:

• The involved competitor has to be able to prove that he or she is licensed in the country of origin to have the firearms and ammo in question in their possession and that they were licensed to temporarily export these to the Netherlands;
• At the time of the application for the export license there is no international (UN, EU or OSCE) arms embargo on the country of destination. This means that competitors originating from countries that are included in an arms embargo in 2022 are not permitted to temporarily import arms and ammo in the Netherlands.

The organization of WPFG Rotterdam is acquiring a special permit for all participants. This permit will allow a participant to bring in their firearms and ammunition and keep them with them for up to 48 hours upon entering the Netherlands.
this 48 hour timeframe the participants will be required by us to hand over the firearms and ammunition and WPFG Rotterdam will take care of transportation to the venues and further storage, up until 48 hours before departure. This permit [in the form of a personalized copy] will be provided to a participant by the WPFG Rotterdam organization.

Participants from EU-countries [including Switzerland] will be provided with a similar service of transport and storage upon their own request.

Participants for the following events (Pistol PAP, Pistol PPC, Rifle Large Bore, Rifle Small Bore and Shotgun) who want to bring their own firearms will be asked to provide certain details such as:

• Type of firearm (self loading rifle, bolt action rifle, pistol, revolver, shotgun)
• Make of firearm
• Caliber/gauge
• Barrel length
• Copy of permit (when issued)
• Date of arrival
• Date of departure
• Point/port of entry/exit

Rifle Air is shot using ISSF air rifle and are not subject to the Dutch Firearms Act in regards to ownership. The transport and storage of air rifles needs to be in a suitable case.

Biathlon will be shot with pistols provided by WPFG Rotterdam. Participants may not use own brought firearms.

COMPETITOR CONDUCT REQUIREMENTS

Intimidation: Competitors shall not intimidate or attempt to influence a Sport Coordinator or Sport Officials regarding rule changes. Taking a vote of competitors or otherwise obtaining a consensus of competitors' wishes to make rule changes is not allowed.

Late Competitors & Scheduling: Competition will adhere to scheduling as published, or referred to in the Confirmation Letter. Sports, events, games and/or matches will not be delayed to accommodate late competitors. Some sports have grace periods in the rules. The Host shall adhere to those rules.

Unsportsmanlike Conduct: Unsportsmanlike conduct will not be condoned during, before or after competition. Any behavior that brings discredit upon the WPFG, or Law Enforcement and Firefighting services in general will not be tolerated. Any physical or verbal assaults on officials, competitors, spectators, coordinators or ex-officials will meet with immediate and the severest of penalties. Unsportsmanlike conduct of non-competitor Law Enforcement Officers and Firefighters or other supporters may reflect on their competitor associates and the continued participation of that individual or team.

Alcohol & Drugs: Competitors are prohibited from consuming alcoholic beverages during competition and alcoholic beverages are prohibited from the field or area of competition. Controlled substances are prohibited on being used unlawfully by any person associated with the WPFG. No participant may compete in any WPFG sport/event “under the influence” of alcohol or a controlled substance. If such a condition is suspected, the participant shall be removed from competition and an immediate inquiry shall be conducted by the Host.

Unlawful Activity: All persons who are associated with the WPFG shall abide by all Local, State and National laws that apply to those in attendance at the WPFG. Unlawful activity during this time will result in disqualification from competition and/or in the reporting of the activity. This and any other unlawful activity may result in exclusion from all future WPFG events.

Gambling: No gambling of any kind will be permitted during the WPFG.

Cheating and Sandbagging: Cheating and Sandbagging is prohibited. “Sandbagging” is the term used to define the intentional efforts of a competitor in a sport divided into skill levels to gain an advantage by competing in a lower skill level than the one in which he/she belongs. Example: Intentionally submitting or omitting scores that determine Handicap in Golf that unjustly raises the Handicap.

PROTESTS AND APPEALS

Protests
All protests must be lodged with the Sport Coordinators or their designee immediately after the violation. If the protest cannot be resolved by the Coordinator, the competition will be allowed to proceed under protest. The protest shall then be submitted in writing to the WPFG Federation within 8 hours of the initial protest. If the presentation of awards is affected by the possible results of the protest, the awards shall be withheld pending the WPFGF decision. All decisions by the WPFG Federation are final, unless appealed as outlined below.

Appeals
When any action is taken against a competitor in the Games that is of such a nature that the need for the action is not immediate, the recipient is entitled to a hearing before the WPFG Federation prior to action being taken. Competitors in such a situation will be given written instructions on how to appeal.

VISA

If you want to stay in The Netherlands for less than 90 days, you may need a short-stay Schengen visa. Whether you need a visa to visit the Netherlands depends on your nationality.

No visa requirement
You do not require a visa if you are a national of:
- A European (EU) country
- Liechtenstein
- Norway
- Iceland
- Switzerland

However, certain conditions do apply. These can be found on the website of the Immigration and Naturalization Service (IND).

Possible visa requirement
If you are not a national of one of the countries listed above, then you MAY need a short-stay Schengen visa. This allows you to stay in the Schengen area for a maximum of 90 days within a 180-day period. You can use the Ministry of Foreign Affairs Schengen Visa Advisor to see whether you need a visa or not. Even if you do not need a visa, you must still meet certain conditions in order to visit the Netherlands. These can be found on the website of the Immigration and Naturalization Service (IND).

Valid residence permit issued by another Schengen country
If you already have a valid residence permit for another Schengen country, you do not need a visa for the Netherlands for up to 90 days.

Other types of visa for the Netherlands
There are also other types of visa besides the short-stay Schengen visa. One example is an airport transit visa, which you may need if you are transiting through a Dutch airport. You can find more information on visas for the Netherlands on www.netherlandsandyou.nl.

Useful websites
The Ministry of Foreign Affairs advises people traveling to the Netherlands, both from Europe and outside Europe, to visit two websites. The first is www.government.nl. This contains all kinds of useful information for traveling to the Netherlands. The second website is www.netherlandsworldwide.nl. It contains all the information you need to apply for a visa. And also a checklist for COVID-19.

TRAVEL TO THE NETHERLANDS

Traveling to and from the Netherlands is easy; the country can be reached by plane, train, boat and other means of transport. The Netherlands is part of the Schengen Agreement: within this area there is no passport check for persons. The Schengen countries have agreed on visas, asylum and a collaboration between police and justice departments. The Agreement is part of the rules of the European Union (EU). Countries that are not a part of the EU can be part of the Schengen Agreement. 26 European countries are now members and three more are up for nomination.

When arriving in the Netherlands there are two services you will encounter. Customs only check on goods (duties). Passport, ID card and visa checks are done by the Royal Netherlands Marechaussee.

You can travel anywhere in the Netherlands using an OV-chip card (public transport card), which you can buy at all train stations.

BY PLANE

The largest airport of the Netherlands is Amsterdam Airport, also known as Schiphol. The country has four other civilian airports, namely:

- Rotterdam The Hague Airport
- Groningen Airport Eelde
- Eindhoven Airport
- Maastricht Aachen Airport

The airports Schiphol, Rotterdam The Hague Airport and Eindhoven Airport are the most important airports for competitors of the World Police & Fire Games. More information on these airports can be found below.

Schiphol – Amsterdam Airport
https://www.schiphol.nl/en/

This is the largest Dutch airport and the most important airport in the Netherlands. Schiphol transported 52.6 million passengers in 2013 and ranked fourth in the list of busiest European airports. Schiphol is the home base of the Dutch airline KLM. From Schiphol you can fly to 323 destinations.

Schiphol has a one terminal concept which means that all facilities are under the same roof. The facilities are divided into three sections: Departures 1, 2 and 3. Most flights to non-Schengen countries depart from Departures 3. Most flights by KLM and SkyTeam have their check-in in Departures 2. Transavia can be found in Departures 1. When checking in for low budget flights, which depart from gates H and M, you need to go to Departures 3.

All the halls are connected to the ‘piers’. It is possible to walk from one pier to the next, even if they are connected to a different departures hall. The exception is pier M. When you’ve passed customs here, there is no way to the other piers or parts of the terminal. When passing between the Schengen area and the non-Schengen area there will be a passport check.

Schiphol is home to over 200 shops, restaurants and cafes. The shopping center is called Schiphol Plaza. In these shops you’ll find flowers and plants, delicacies, chocolate and toys, your everyday groceries, media and electronics, fashion, perfumes and cosmetics, books and magazines. The shops are opened seven days a week from 07:00 to 22:00. For food and drinks you can visit various restaurants, bars and cafes.

Everyone with a boarding pass can shop duty free at Schiphol World Avenue. The shops there open at least one hour before takeoff of the first flight of the day and they only close after the last plane has left. For travelers with a destination within the EU the regular taxes on tobacco and alcohol apply. Some catering facilities in Schiphol World Avenue are open 24/7. This includes two hotels, one of which is Sheraton Airport Hotel. There are ten smoking areas in Schiphol World Avenue.

Traveling from Schiphol to Rotterdam

The easiest way to travel is by train; it takes 26 minutes to get from Schiphol to Rotterdam Central Station.

The airport is located in the Zestienhovensepoelder, just north of Rotterdam. The airport is property of the Schiphol Group. Shareholders are the state and the municipalities of Amsterdam and Rotterdam. Annually over 2 million passengers travel to and from the airport.

The airport is also used for small aviation (lessons, sports and sightseeing flights). The airport serves as the stop for government flights, including the government unit PH–KBX. Cars in the Netherlands run on gasoline or diesel. The pumps at the petrol stations indicate which type of fuel they contain. Some cars in the Netherlands run on Liquefied Petroleum Gas (LPG). TRANSPORTATION IN THE NETHERLANDS

Traveling in Rotterdam

The most important point of arrival in Rotterdam is Rotterdam Central Station (this goes for the international trains, the train traveling from Schiphol and the buses and metro traveling from Rotterdam The Hague Airport).

The biggest public transportation company in Rotterdam is the RET, which stands for Rotterdamse Elektrische Tram – the Rotterdam Electric Tram. RET is responsible for the metro, trams and buses in Rotterdam.

• Ever since 1928 the RET has been responsible for buses in the city. The number of lines has grown considerably since then. There are now 58 lines and 185 buses.
• The metro makes use of 162 kilometers of rails, 347 railway points and 52 stops. There are two yards where all 160 metros have a spot for the night.
• The tram network has 194 kilometers of rails, 443 railway points and 322 stops. The 118 tramcars are stabled in two depots.
• There are 6 garages for the buses and 4 depots and the RET also has 2 workshops.

Traveling with RET will be free for accredited competitors and friends & family.

METRO

Five metro lines are operated by the RET. Lines A, B and C run every 10 minutes which allows for 3–4 minute intervals on the main section between Binnenhof and Vlaardingen West (line A), Nesselande and Hoek van Holland Harbor (line B) and Schiedam Centrum and Capelsebrug (line C). Lines D and E run every 10 minutes, which gives shorter intervals between The Hague Central Station and Slinge/Spijkenisse. There is a more frequent service during rush hours. The Rotterdam Metro runs from 06.00 until midnight.

The important WPFG venues can all be reached by metro. Some examples:
• The metro stop Central Station is located below the train station, which ensures an easy transfer. This is also the stop for the host hotel Marriott.
• Metro stop Stadhuis is located below the Coolsingel, in front of City Hall. The Hilton is located within a walking distance of 1 minute from this stop.
• Metro stop Leuvehaven is located 3 minutes from the Athletes Village.
• Metro stop Zuidplein is located 3 minutes from Rotterdam Ahoy; the venue for registration & accreditation, over ten sports, expo and offices.
• The ride from Rotterdam Central Station to Zuidplein (Rotterdam Ahoy) takes about 20 minutes.

TRAM

RET operates 10 tramlines. All tram lines except line 2 stop at Rotterdam Central Station. Tram stops provide a detailed map of the public transport system. All lines run every 10 minutes with more frequent service during rush hours on some lines.

Trams have stops in many places, particularly in those areas with no metro stop. For example:
• Tram line 23 goes from Rotterdam Central Station to Feijenoord Stadium (opening ceremony) and Topsporthandelscentrum.
• Tram line 7 goes from Rotterdam Central Station to the Kralingse Plas.

BUS

Multiple companies operate buses in Rotterdam: RET, ARRIVA and Connexxion. These companies share some of the bus stops, but the route numbers are not interchangeable. RET is the largest operator in the metropolitan area itself, while ARRIVA and Connexxion service areas outside the metropolitan area.

RET operates a night bus service on Friday and Saturday nights.

Many of the sport venues such as Neptunus Stadium and Feijenoord Stadium can also be reached by bus.

The WaterBus provides boat connections between Rotterdam and the Drechterland (Dordrecht and surrounding cities with names ending in ‘drecht’). The Waterbus can also be used to reach the windmills of Kinderdijk. You need to change at the stop ‘Ridderkerk’ to another ferry called ‘Driehoeksveer’.

TAXI & WATER TAXI

Two major taxi companies can be found in Rotterdam: the Rotterdamse Taxi Centrale [RTC] (https://rotterdamtaxicentrale.nl/en/) and Taxi Onderneming St. Job (https://www.taxistjob.nl/). You can just hail a taxi on the street or you can make an appointment by phone for a certain time and place.

If you want to travel from shore to shore in a special way, the nicest way is to take the Water Taxi (https://www.water-taxirotterdam.nl/). This speedboat will escort you over the river Maas. They have over 250 landing stages. The ferry service between Hotel New York and Leuvehaven and Hotel New York to Veerhaven sails back and forth on a scheduled timetable.
UBER
In Rotterdam you can also use the Uber facilities. You can find more information about Uber on their website or you need to download their app.

BIKING
The Netherlands is known for its large number of bikes. The country has about 18 million bicycles which means there are more bikes than people. 84% of the Dutch own a bike. Every year about 1.3 million bikes are sold and about 850,000 are stolen.

At most large train stations (including Rotterdam Central Station) you can rent your own bike (https://www.ns.nl/en/door-to-door/ov-fiets). You can even get a subscription to this so-called OV-fiets (fiets is the Dutch word for bicycle and OV stands for Public Transport). The subscription allows you to get on a bike in over 250 locations. You can rent a bike for 24 hours with a maximum of 72 hours.

You will find bicycles to share of Donkey Republic and Mobike at several locations in the Rotterdam city. You’ll only need to download the specific apps. At Donkey Republic and Lime you can also rent e-bicycles. Downtown Rotterdam has a few places where you can rent a bicycle. Examples of rental companies are Baja Bikes, BimBimBikes, Centrum Bikes and Zwaan Bikes Rotterdam. Also most hotels will offer rental bikes options.

For those who would rather not cycle themselves there is a bicycle taxi. You can hail a taxi on the street or you can make a reservation with Fietstaxi Centrale Rotterdam. You pay for the number of minutes you are in the taxi. There are ten bicycle taxis in Rotterdam. Together they ride around town for twelve thousand hours each year.

SCOOTER
In the Netherlands there are a few organizations which offers shared electric scooters for every ride. You need to use an app to localize the nearest scooter, to reserve and activate it. Apps which can be used are:
- Felyx
- Go Sharing
- Check

WALKING
Rotterdam is a compact city. The network of public transport is a telltale sign of this, as is the fact that there are so many cyclists. The people of Rotterdam travel by foot a lot. Walking from Rotterdam Central Station to the Erasmus Bridge is a nice walk which will take you about twenty minutes. During this walk you’ll pass the host hotel, the Coolsingel, the shopping area and at the foot of the bridge you will see the Athletes Village.

WPFG SHUTTLE SERVICE
A shuttle service will be provided for free to reach venues that can not be reached by public transport. These shuttles will run the entire distance. Many of the locations outside of Rotterdam are easily reached by train or metro. Keep an eye on the WPFG website for the latest information.

"A" and "B" Division competitors must provide a means of verification listing the competitor's highest 21 game league average as of 31 May 2022. This verification must be from a Bowling Association official and include the phone number or e-mail address where that official can be contacted. Computer printouts from official bowling association websites may be used. League standing sheets may not be used. The verification must be presented during Check-in at the sports venue prior to competition. Please indicate your estimated average in the space provided on the Sports Entry Form or where indicated online. Bowlers competing ONLY in Open [skill] events need not provide an average.

The WPFG must be able to verify the bowler's average at the phone number provided. If, after timely and reasonable efforts, verification cannot be secured, the bowler will be moved to the highest division: Open Division for men and "A" Division for women. It shall be each bowler's responsibility to verify the accuracy of his/her average, whether originally submitted by the bowler, the team captain, or others. Falsification of an average will result in disqualification.

The WPFG reserves the right to place a competitor in any category deemed appropriate. This includes individual, doubles, and team events. This decision may be recommended by the Sport Coordinator and affirmed by the WPFGF Director for Bowling or may be made independently by the WPFGF. This adjustment may be made before, during or after the competition. These decisions do not require justification and are final. The PBA T.V. style Roll Off will be held for the top five bowlers regardless of skill division.

SCORING
Scoring will be done only by a scorekeeper. Only scorekeepers will turn in score sheets to the bowling coordinator. If the lanes have automatic scoring, scoring will be monitored by tournament personnel.

**EARLY ENTRY IS RECOMMENDED AS ENTRIES ARE LIMITED TO 450 COMPETITORS (INDIVIDUAL), 144 (TEAMS) AND GOLF COMPETITION IS EXPECTED TO FILL EARLY. YOUR ENTRY DOES NOT AUTOMATICALLY RESERVE A SPOT FOR YOUR PARTNER.**

This is an AMATEUR ONLY TOURNAMENT. Competitors without an established Index may only enter in the "Scratch Events"

This committee reserves the right to adjust Index Numbers for entrants with a history of scoring well below their Handicap, or for countries that do not have a rate/slope system.

Returning golfers from either or both of the past WPFG/USPFC will use their tournament handicap. This Index will be established by the scores shot in one or both of the past WPFG/USPFC. If their current index is lower; it will be used.

Entrants’ actual “LI” [Low Index] will be used unless adjusted by the “Handicap Review Committee”. If entrant has two numbers from different countries, the lowest must be used.

Anything (guns, devices, equipment, accessories, etc.) which may give a shooter an unfair advantage over others and which is not mentioned in these Rules, or which is contrary to the spirit of the ISSF Rules and Regulations, is prohibited. **CLASSIFICATION**

WPFG Classification will be used. A competitor without an established WPFG classification may use their official national classification card or Score Record Book to receive an “Assigned Classification”.

The averages listed below will be used to establish WPFG Classification:

<table>
<thead>
<tr>
<th>Classification</th>
<th>Minimum Average</th>
</tr>
</thead>
<tbody>
<tr>
<td>Master</td>
<td>95.00 and above</td>
</tr>
<tr>
<td>Expert</td>
<td>90.00 to 94.99</td>
</tr>
<tr>
<td>Sharpshooter</td>
<td>85.00 to 89.99</td>
</tr>
<tr>
<td>Marksman</td>
<td>Below 85.00</td>
</tr>
</tbody>
</table>
Any competitor without an established WPFG classification who cannot present such evidence will shoot their individual event. The score they obtain in their individual event will be used to determine their proper classification for the awarding of medals in the various classes in the individual event. This classification will also be used for the Team event.

A competitor’s classification will not change during the tournament. A competitor will enter a tournament under the correct classification and shoot the entire tournament in that class. Should it be discovered during a tournament that a competitor has entered in a classification lower than their current rating, the competitor will be subject to possible disqualification. The WPFG reserves the right to reclassify any shooter based upon “known ability” or other evidence to the skill of the individual.

**Competing in a Higher Class** – Any individual or team may elect, before firing, to compete in a higher classification than the one in which classified. Such individual or team must fire in such higher class throughout the tournament and may not revert to earned classification for any event in that tournament.

**Classification Appeals** – Any competitor having reason to believe that they are improperly classified may file an appeal with the WPFGF Director stating all essential facts. Any such appeals must be filed prior to the start of competition. The WPFGF Director will make the final determination as to the classification.

**Classification Protest** – Any person who believes that another competitor has been improperly classified may file a protest with the WPFGF Director stating all essential facts. Any such protests must be filed prior to the start of competition. The WPFGF Director will make the final determination as to the classification.

**Team Classification** – Teams are classified by computing the "team average" based on the classification of each firing member of the team. To compute this "team average", the key in Table No. 1 for the different classes will be used and the team total divided by the number of firing members of the team. Any fractional figure in the team average of one half or more places the team in the next higher class. The "team average" will establish classification of the team as a unit, but will not affect in any way the individual classification of team members.

**Team Class Key**
- Master: 4
- Expert: 3
- Sharpshooter: 2
- Marksman: 1

**AGE CATEGORIES & CLASSIFICATION AWARDS**
All events are Unisex Open [18+]; Teams may consist of all men, all women or any combination thereof. Awards for the individual events will be made in the following classifications: Master, Expert, Sharpshooter and Marksman. F-Class Rifles will fire from a bipod/tripod and will shoot on their designated (FC) targets. The various Rifle categories will not be combined, [Example: Service, Match Rifle, International Target Rifles/Palma Rifles will NOT compete against an F-Class Rifle].

WEAPONS
Any Rifle – A rifle with no restrictions on sights or accessories including Schuetzen type buttplates and palm rests except that it must be safe to competitors and range personnel. Ammunition will be restricted to no larger than 9 mm. [Attention is directed to safety fan limitations of various ranges. Individual ranges may further restrict ammunition.]

The use of compensators or muzzle brakes is prohibited. An extension tube that has been installed on the muzzle of a rifle to extend the sight radius shall not be considered a “muzzle brake.” The extension tube must have an interior diameter of .5 inches or greater and may have 1/4” x 1” slots cut at 12 and 6 o’clock to remove cleaning patches. Threaded holes along the top of this tube for the installation of sight bases will be allowed.

(a) Sound suppressors are not authorized for use in high power competition

Any Rifle used shall conform to ISSF specifications as applies to trigger pull for 300 m Standard Rifles.

The intent of this rifle category is to allow competitors to compete outside the stricter standards of the Standard Rifle. This includes a softer standard on clothing requirements.

Standard Rifle – All rifles must meet ISSF specifications for 300 m Standard Rifle. For Standard Rifles the caliber may not exceed 8 mm.

F-Class Open Rifle (F-O) – All rifles must meet ICFRA specifications for an F-Class Open Rifle.

F-Class Restricted Rifle (F-R/R) – All rifles must meet ICFRA specifications for an F-Class Restricted Rifle. For both F-O Rifles and F-R/R Rifles all attachments must be compliant with current ICFRA rules.

Shooters must use only equipment and apparel that complies with the ISSF Rules. Anything (guns, devices, equipment, accessories, etc.) which may give a shooter an unfair advantage over others and which is not mentioned in these Rules, or which is contrary to the spirit of the ISSF Rules and Regulations, is prohibited. The shooter is responsible for submitting all equipment and apparel for official inspection and approval to a WPFG Equipment Inspector.
Insider prior to its use in WPFG competition. Team leaders are equally responsible for ensuring that the shooters’ equipment and apparel comply with the ISSF Rules and Regulations. Where conflicts between ISSF/ICFRA/NRA guidelines and WPFGF rules occur (i.e. awards formula, eligibility of competitors and substitution after competition begins) always use WPFGF rules.

AMMUNITION RULES
Due to the use of a military range, special rules apply to the use of ammunition. The following calibers and maximum loads have been pre-approved.

<table>
<thead>
<tr>
<th>Caliber</th>
<th>Maximum projectile weight</th>
<th>Maximum powder load</th>
</tr>
</thead>
<tbody>
<tr>
<td>.223 Rem/5.56x45 mm</td>
<td>69 grain (4.5 gr)</td>
<td>21.9 grain N133 (1.42 gr)</td>
</tr>
<tr>
<td>6 mm BR Norma</td>
<td>105 grain (6.8 gr)</td>
<td>31.2 grain N140 (2.02 gr)</td>
</tr>
<tr>
<td>.308 Win/7.62x51 mm</td>
<td>168 grain (10.9 gr)</td>
<td>42.8 grain N140, (2.78 gr)</td>
</tr>
</tbody>
</table>

Loads are based on Vithavuori powder. Equivalent powders in regards to burn rates may be used.

The different matches can bring different rules regarding bullet weight i.e. NRA/ICFRA target rifle rules for the host country match limits the bullet weight to 155 grain in .308 Win ammunition.

If a competitor wishes to use a different caliber, a request must be made to the coordinators through rifle@wpfgrotterdam.com no later than 2-1-2022.

A MANDATORY pre-competition meeting for Team Captains/Managers only will be held the day before competition (subject to change) and a Confirmation Letter will provide details.

INDIVIDUAL COMPETITORS: Individual competitors may enter either the 4 Person Team or Mixed Doubles events (but not both). Individual competition takes place on Days 1–2. Your actual competition day will depend upon the final number of entrants in each age category, AS A GUIDELINE ONLY: Competition generally starts with all Women and the older Men’s age categories, progressing through to the younger Men’s age categories.

PRE-COMPETITION MEETING for INDIVIDUAL competitors will be held on the day/ evening before the beginning of ALL individual competition. Men in the individual Heavyweight will weigh-in during the meeting. Failure to attend this orientation meeting could lead to disqualification. Confirmation Letter will provide details.

4-PERSON TEAM: A 4-Person Team may be composed of any combination of men and/or women. Each team member will attempt 2 of the 8 requirements. Selection based on first come, first served (“complete teams”) basis. A “complete” Team has all four Team members listed on the Team Roster along with the 2 events each member will attempt. It is NOT necessary for a Team entrant to enter the individual competition. A Team must have 4 members. A complete Team Roster shall be submitted with Team Captain’s Sports Entry Form. The Team event will be held on Day 3 of the competition. Shotput weights will conform to modified IAAF/WMA standards for age and gender.

MIXED DOUBLES: A Mixed Doubles Team consists of one male and one female entrant. Each entrant will attempt 4 of the 8 requirements. Each entrant shall list the 4 events to be attempted on their Sports Entry Form. The Mixed Doubles Team must attempt all 8 events. The Mixed Doubles category will compete on Day 4 of the competition. Shot Put weights will conform to modified WA/WMA standards for age and gender.

PRE-COMPETITION MEETING for TEAM and MIXED DOUBLES entries will be held on the day/evening prior to the actual Team/Mixed Doubles competition. (Other team members may attend.) Failure to attend this orientation meeting could lead to disqualification. Confirmation Letter will provide details.

Competitors who wish to be placed in the “random pool” for the Mixed Doubles or Team event, MUST STATE their SPECIALIES on their Sports Entry Form. Selection to a pooled team cannot be guaranteed; all relevant fees shall be returned. Applicants requesting “pooling” MUST be entered into another sport or event in the Games.

Team competition is an individual, timed competition comprised of four (4) competitors to a team. Each team must complete all 4 stages, but each competitor will compete in one of the stages only. The sum of the individual times will be the team time and will determine the result of the competition. If a team member fails to complete his/her stage, the team is disqualified.

Entrants may compete in the individual and/or the Team Event.

EQUIPMENT & REQUIREMENTS
The Ultimate Firefighter Event is a 3-day competition. The first 2 days will be for Individual competition. Day 3 is for the Ultimate Firefighter 4-Person Team. HOST WILL SUPPLY TURNOUT COAT AND HELMET [GLOVES ARE MANDATORY]

The Ultimate Firefighter competition is comprised of 4 consecutive stages. The stages are: Stage 1, Hose Task; Stage 2, Weight & Strength; Stage 3, Obstacle Course; Stage 4, High Rise.

In all events, each competitor will have one attempt at each stage. Failure to complete all 4 stages will disqualify a competitor or team from the event.

A MANDATORY MEETING
For INDIVIDUAL competitors will be held on the day/evening before the beginning of ALL Individual competition. For the TEAM events, the Mandatory Meeting will be held on the day/evening prior to the actual Team competition. Information will be provided in the Confirmation Letter. At least one representative from each Team must be present. Other team members may attend. Failure to attend will result in disqualification unless arrangements have been made with the Ultimate Firefighter Coordinator.

INDIVIDUAL
In the Individual event, each competitor will complete all 4 stages [in one day]. Awards will be made based on the best combined times for all 4 stages.

4-PERSON TEAM
Each team member will attempt only one of the 4 stages. A team must complete all 4 stages. If a team member fails to complete his/her stage, the team is disqualified. Team score is the sum of the times for the team members’ specific stages. Team Captains need not declare what stage each team member will attempt prior to the Mandatory Meeting.

POOLED TEAMS

**COMPETITORS’ MEDICAL REQUIREMENTS**

**DOCTORS WILL NOT BE AVAILABLE FOR AN EXAM IN THE NETHERLANDS. ALL MEDICAL EXAMS MUST BE COMPLETED PRIOR TO ACCREDIDATION IN ORDER TO PARTICIPATE IN THE WPFG 2022.**

Prior to or during Host Registration all competitors must submit a Medical Release, signed by a licensed physician and based on a physical exam conducted within six months of competition. This release may take the form of a doctor’s note stating the entrant’s fitness to compete in a contact sport. You will not be able to compete until this requirement is met.

[40+] Competitors, please note: If there are fewer than 3 competitors entered into any one weight category, those competitors will be combined with the appropriate [30+] weight category.

The competitions take place by direct elimination system with an ideal number of wrestlers, i.e. 4, 8, 16, 32, 64, etc. If there is no ideal number of wrestlers in a category, qualification matches will take place.

- Pairing is made in the order of the numbers drawn at random (see UWW Rules, Chapter. Article 12, for detailed methodology for the ‘Drawing of Lots’).

- All wrestlers who lost against both finalists will have repêchage matches. There are two separated groups of repêchage: one group of wrestlers who lost against the first finalist, and another group of wrestlers who lost against the second finalist. The repêchage matches begin with wrestlers who lost in the first round including in matches to obtain the ideal number against one of the two finalists up to the losers in the semi-finals by direct elimination.

- The winners of the two repêchage groups will each receive a Bronze Medal.

- Each weight category begins and ends in a day. Each category weigh-in takes place the day before the beginning of the category concerned.

If there are less than 6 wrestlers in a weigh-in category, the Nordic round (’Round Robin’) will take place (each wrestler against each wrestler).

3) Uncorrected visual acuity of less than 5/30 in either eye, 20/200 in either eye or 20/100 in both eyes;

9) Presence of aphakia or dislocated lens in either eye.

There is no appeal for the suspension or denial of approval because of the conditions described in 1 through 9.

b. Ocular pathology of any kind which is self-limiting or treatable and which generally results in a return to normal ocular function;

c. Any other visual condition which the Committee determines would prevent the applicant or licensee from safely engaging in Boxing activities.

THE EXAMINING PHYSICIAN IS REQUESTED TO MAIL A COPY OF ANY REPORT OF AN APPLICANT WITH AN UNSATISFACTORY CONDITION DIRECTLY TO THE BOXING COMMITTEE.

Read Carefully Before Signing

In consideration for the World Police and Fire Games Federation, a duly-authorized entity of the California Police Athletic Federation (the “Organizer”), and the 2022 World Police & Fire Games (the “Host”) granting me permission to participate in the 2022 World Police and Fire Games (the “Games”) conducted by the Organizer and the Host in and around Rotterdam, Netherlands from 22nd July 2022 through 31 July 2022, the undersigned, on behalf of his/her heirs, successors, executors, administrators and assigns agrees:

1. Prior to participating in any event in the Games, I will inspect the facilities and equipment to be used by me during that event. If I believe there is a safety issue with either the equipment or the facilities, I will bring this matter to the immediate attention of the nearest official. If the safety issue is not resolved to my satisfaction, I will remove myself from participation in the event.

2. I understand that I may be engaging in activities that involve risks of serious injury, including permanent disability and/or death; severe social and/or economic losses which might not only occur from my actions or omissions, but also from the negligent or intentional actions or omissions of others, from the rules of play and their application, from the condition of the premises and/or equipment and from other sources known or unknown. I knowingly and freely assume all risks, both known and unknown, and accept all responsibility for my safety and welfare.

3. To accept sole responsibility for any health and medical expenses from any physical or mental problem existing or occurring during the Games or resulting from any type of injury incurred by me during the Games. While the Host may provide to participants very limited first aid for an injury occurring during the participating event, I am solely responsible for the health and medical expenses as stated above. I further waive any right of confidentiality and agree to a complete release to Organizer and Host of all medical records of any type relating to the undersigned. The undersigned will also cooperate in any way necessary, including providing and signing additional documents, for the Organizer or Host to obtain my medical records.

4. To fully release, discharge and hold harmless the Organizer, the Host, Rotterdam, Netherlands and all other persons and entities, including but not limited to, sponsors, agencies, corporations, associates, staff, volunteers, providers of first aid and independent contractors, from any and all claims, actions, liabilities and causes of action, whether involving negligence or intentional actions or omissions which I and/or any of my heirs, successors, executors, administrators, agents or assigns may now have or which may accrue as a result of my voluntary participation in any of the sporting or non-sporting activities in connection with the Games.
5. To indemnify, defend and hold harmless the Organizer, the Host, Rotterdam, Netherlands and all other persons and entities associated in anyway therewith for any liability, demand, judgment, claim or suit, including reasonable costs and attorney fees, arising out of or in connection with my acts or omissions or allegations thereof as a participant in any of the sporting or non-sporting activities related to or in connection with the Games.

6. This “GENERAL RELEASE OF LIABILITY AND WAIVER” is governed by the laws of the State of California, United States of America, and the laws of USA. I acknowledge that I execute this “General Release of Liability and Waiver” freely and voluntarily, and do not rely on any inducements, promises or representations made by the organizations or individuals involved in the Games, or of any person associated in any way with the Games. 7. The undersigned grants the Organizer, Host, and the Games the world-wide right to use: (i) The undersigned’s name, signature, photograph, voice or likeness and biographical information; and (ii) Filmed or taped footage, photography and integrated media of the Games and the undersigned to advertise or promote any sponsor of the Games association with the Organizer, Host and/or the Games or to promote the Games in all forms of marketing and advertising. The peace, security and democracy that we have in the Netherlands cannot be taken for granted. Those committed to protecting and upholding these rights every day, often at risk to their own lives, know this only too well. The World Police and Fire Games 2022, which revolves around encounters, sportsmanship and respect, puts a spotlight on these brave individuals. And so vfonds is proud to be a partner of these games: after all, given what they mean for society, these people deserve to be given a platform where they can be celebrated.

Each year, vfonds supports a multitude of projects and organisations that contribute to our strong democratic, constitutional state and to a peaceful society. This also includes showing appreciation for veterans and police officers committed to protecting and upholding these rights, both at home and abroad. With our support, we want to inspire the various generations and encourage them to make their own active contribution.
